Dt.

28.08.2021

To,

- Chief District Health Officer, Health Department, District Panchayat.....all.
- Health Officer, Municipal Corporation, All.

Subject:- SCREENING OF PASSENGERS TRAVELLED FROM KERALA AND MAHARASHTRA REGARDING.

It is to inform on the subject cited above that at present, a number of cases of COVID-19 are come to notice in Maharashtra, Kerala, Karnataka, North East etc. States of the Country. During the last 3 days, 20 to 30 thousand cases are noticed in the State of Kerala. However, movement of passengers is continuing from Kerala and Maharashtra States. Keeping in view of above, screening of passengers coming from Kerala is very necessary to minimize cases of COVID-19 in the State. Therefore, following directions are hereby given to all Districts and Corporations for passengers coming from Kerala and Maharashtra.

- (1) Thermal Screening to be done and check Vaccination status of every passenger.
- (2) Rapid test to be done in respect of persons found suffering from the decease and immediately isolate accordingly.
- (3) If Antigen test is found negative than send sample for RTPCR.
- (4) If person found positive than admit for treatment as per the guidelines and Genome Sequence be done.
- (5) If no Symptoms found in person and he taken two dose of Vaccination and period of 15 days is completed than person may be allowed to go to home.

(6) If person do not have Symptoms but yet to take Vaccination than he may be advised to take the same and be advised to monitor himself for a period of 14 days and ask to send details to medical officer for follow up.

Arrangement for medical teams to be made at All Railway Stations, Bus Stations, Airports and Check Posts connecting to Maharashtra and reporting by 4:00 hrs. evening on day-by-day basis.
